For 2009 Today's Options® and Community CCRx<sup>SM</sup> or PrescribRx<sup>SM</sup> Prescription Drug Plans, using AgentLink is the preferred way for the most efficient online enrollments for quicker processing and faster commission payments.

### Have you checked out AgentLink?

If you've never logged on before ... it's time to take an AgentLink Test drive! Give it a try now and get familiar with the site before AEP and online enrollments begin on November 15.

### Taking your AgentLink test drive is easy ... all you need to do is:

- 1.** Go to <https://agentlink.uafc.com> on your office or home computer.
- 2. FIRST-TIME USERS & NEWLY CONTRACTED AGENTS:** Select First Time Users. This tells you how to get started by entering your complete Social Security Number (no dashes) for the Login ID, and reusing the last four digits as your Password. **IMPORTANT: As soon as you enter the site, you will be assigned a new "Login ID." Write it down immediately. You will use this number for all future entries to AgentLink.**
- 3. ESTABLISHED USERS:** If you've forgotten your password or login name, simply click on the "Forgot Password" or "Forgot Log-in" link. This feature is active 24/7, so you can recover your password or ID anytime you need them.
- 4.** Once in the site, you will see a menu to the left of the page, a welcome message in the center, and a link to a tutorial at the bottom of the page. To take the tutorial, click on the link and follow the instructions that appear on the screen. This will give you a complete tour, and you may explore all of the many features. Instructions on how to complete Online enrollments will be part of the tutorial prior to November 15, so you can learn it before it goes live!

**You are now prepared to use AgentLink for online enrollment. The Online Enrollment area of AgentLink will be activated on November 15 and — as an experienced AgentLink user — you will have easy access and can immediately begin enrolling your clients!**
